

Bad shape but, looking
up the case and Harry
Miller died the first of
May and you know they
all feel bad and lonely
I am having a big time
with the girls now and
we are having a good
Sunday school at the
School house and are
have 65 ^{scholars} on roll and
I am the Secretary and
you know they a good one
My younger girl came
down to a big singing
at the School house last
Sunday and I had
the time you bet I did
I expect I will soon ^{marry}
if I can find any
one in the same location
That I care is that right
